Who we are

“From **Business Challenges to Clear, Confident Decisions**”

LumenPath Business Consulting, is a Business Consulting & Financial Advisory firm that works alongside Founders, CEOs & CFOs to solve critical business problems and support sustainable growth.

Our Approach

Discovery & Diagnosis

We learn how your business operates, where opportunities exist, and what's holding back your growth.

Recommendations & Implementation

We combine AI-powered insights with practical consulting to create a clear roadmap tailored to your business.

Execution & Value Realization

We don't disappear after delivering recommendations. We stay with you, monitor progress, refine strategies, and support every major business decision.

Founder Profile

Ms. Thrishya Ramachandran 

Managing Partner, LumenPath Business Consulting LLP

Experience : 25 Years of Banking

Proficiency: Relationship Management, Corporate Lending & Business Consulting

Thrishya is a seasoned corporate banker having spent 25+ years in Corporate Banking (Lending) across Kotak Mahindra Bank Ltd, HDFC Bank Ltd & IDBI Bank Ltd. Over the course of her career, she has been involved in sourcing, managing and growing corporate relationships from varied industries like pharma and healthcare, defence and aerospace, food processing, packaging, engineering, capital goods, logistics, infra and real estate etc. She has handled clients across SME, mid-corporate, large corporates, conglomerates.

During her last assignment with Kotak Mahindra Bank, she was Vice President & Area Business Manager (SME Division)- Telangana & AP. Her banking experience has helped in her Business Consulting & Financial Advisory practice, a journey which began in August 2022 with her association with Arthtech Consultants Pvt Ltd. She has assisted several MSME corporates since 2022 raise funds, identify bottlenecks and create and execute business and financial strategies.

Thrishya holds a General Management degree from Indian School of Business, Hyderabad and a Bachelors degree from Madras University. She is also a semi- qualified CMA.
